

11 July 2019

Dear Customer

Hayling Glazing Conservatories Limited
28 Mengham Road, Hayling Island, PO11 9BL

Please accept this letter of introduction as confirmation that the above contractor is a member of the elite HomePro register of reputable businesses and has passed HomePro's stringent vetting procedures prior to acceptance for membership.

Our vetting procedure includes the following:

1. Legal and financial checks to investigate the contractor's stability. Only those whose ratings are satisfactory are accepted.
2. Reference checks from previous customers and scores for quality, timeliness, value for money and courtesy. Should the customer references not meet our criteria the application is refused. Reference checking continues throughout membership, so we always have an up to date picture of a contractor's business.

We therefore have no hesitation in introducing Hayling Glazing Conservatories Limited as a reputable contractor with a proven standard of workmanship. Hayling Glazing Conservatories Limited may provide you with, or alternatively will offer you, an Insurance Backed Guarantee (IBG) to protect your financial investment. The IBG is in addition to a contractor's personal or letterhead guarantee, which would offer no protection should a contractor cease to trade.

To find out more about HomePro or the IBG, please call 0800 131 0123 or visit the website www.HomePro.com

Yours faithfully

Sean O'Keeffe
Chief Executive Officer
